"I'm not sure if I'll be able to do anything in the next few months, but I'm thinking about making a comeback." Let's hope that her "anything" is more than a one-off reunion at some showcase or some other small gathering. It's pretty clear that she was fired from the label and as far as I know, there haven't been any offers for her to take back her songwriting credits for any other songs she's done for the label. As for what she's singing in those indie rock tunes she's supposed to be recording these days? I don't want
